“ One of my favorite teachers and friend. Mr Blecker was the reason I continued my music through college. Looking back, he made music fun and provided great memories we still talk about today. He will be missed by me!

“ I have many memories of being in the band at David Brearley HS with Mr. B. He always tried to get the best out of us, and put up (most of the time!) with our pranks, and there were plenty of those. RIP Lynn.
