“ My Aunt Malinda was a kind, loving, and generous woman. When I began college Aunt Malinda and Uncle Jack invited me to live with them during the first two summers in order to earn money to pay for my education. I came to know them well and love them for the rest of my life. And it was great to get to know Bill and Nell when they were both kids. Aunt Malinda kept in touch with all the Gages, and always was interested in our families and children. We visited her many times over the years and she even stopped in to visit us when we lived in Cincinnati, OH. And to my surprise, when she arrived in Cincinnati years later she was driving the Oldsmobile(442) that she had the summers I lived in Lancaster. The car was just like Aunt Malinda-----they both had a long and wonderful life. Thank you Aunt Malinda for being so loving and kind to all of our family. We will always miss you, and our love for you will live on in our hearts forever.

Your loving nephew Jack Gage, and wife Lynda Gage

“ I fondly remember Malinda, a true friend. She and I traveled together to Italy with a group of Conestoga Valley High School students in 1975. We also took an interesting trip one summer in our van--just the two of us ladies on an adventure.

Malinda was a remarkable teacher with such a positive attitude. I learned so very much from her and appreciated her presence on the CV faculty.

May she be at peace with the Lord.

“ A teacher, a mother, a grand and great grandmother, a woman of God, a matriarch and a strong woman. I know God met her as a friend.

We've been blessed to know her and mourn our loss.

“ Hello..my Name is Jennifer Pote. Im one of Mell's caretakers...she taught us alot...we had great talks...she had an amazing smile and boy could she give a hug! She always knew how she wanted things and when she asked for help..her direction on how to do it were just so..in fact our last interaction was an amazing one but i did not know it till the next day...Mell asked me to help her with a task..i said ok what can i do for ya? (This is at bed time mind u) she asked me to take pic on the wall down an place them a certian way on the floor against the wall behind a chair. Im thinking she wants to rotate them...but sheer curiously led me to ask...hun..why am i taking these down....she simply replied "Because im going home tomarrow"..round 4 a.m. she did just that...as sad as i was to not see her the next day..i celebrated her meeting her maker and reuniting with loved ones she spoke of and missed so much. R.I.P. Mell..aka Miss Diva (private joke with her) you are missed at the home..but we celebrate your painless rebirth! Tell my mom and grandparents hello and i love them! 🥺🙏

“ The first time I saw Malinda and introduce myself to her when we were on a school class trip to the bowling alley. She was so very pleased when she found out that my brother was Larry Summers. My thoughts and prayers are with the Gage and Summers families.
