“ *Sincerest condolences from the Willow Valley Community. I am so thankful to have known Peggy, and appreciated her sweet spirit and desire to serve. She was the regular greeter at our Lakes Vespers service each week, and loved to hand out hymnals and worship bulletins to people as they came in. We are praying for your family. - Chaplain Scott Johnston*

“ *Praying God's peace & comfort as you go through this time. It was a joy to meet and get to know your mom. She had the sweetest smile & tender heart. We know that she is in the presence of the Lord & we will see her again! It was also a joy to meet you PJ and your brother Randy. The love & joy of the Lord was always evident when you visited your mom. Praying blessings for each of you & your family.*
