“ *Marjorie was a lovely person and a great boss at Bryn Mawr Hospital School of Nursing decades ago in the late 1960's. She encouraged me to create a new program for the school as a young nursing instructor. I had found a letter in my files this week (Feb 2022) from her and wanted to find Marj and discovered that she had died in 2018. If the family happens to see this note, God bless you. Your mother ended her letter, In God's love. Lynda (Heimer) Stear*
