“ *Aunt Marjie was such a wonderful aunt. What fun memories I have, though one of my favourites was when she and Uncle Bill stopped at a stop sign in Bethany Beach. He threw the car into park and announced, “Chinese fire drill!”. They got out and ran around the car, then got back in, put the car in drive, and off we went! I had participated, though I was a little stunned. Fritz, in the middle of the back seat with “Little Margie” on his lap, just sat there and muttered under his breath, embarrassed, I guess.*

“ ...of course everyone who knew her will remember her smile and kindness, but unfortunately not everyone got to experience the most wonderful creamed chipped beef that came out of her kitchen...and I was lucky enough to be in girl scouts with Marjie to learn how to make it ...if I were you Marjie-i'd hunt down her recipe book , because there are some real gems in it!!!!
