To the Taliaferro/Austin family, my heartfelt sympathy goes out to all of you. Mark was a special young man, who adored his wife, children and step-children. He was a loving caretaker for his wife while she was going through her illness. I pray for the family. I love all of you very much. Mark you beat us there, but we will see you when we get there. I Thessalonians 4:14 says "For if we believe that Jesus died and rose again, even so God will bring with Him those who sleep in Jesus" Rest with the Lord until we get there. In sympathy, Evangelist Sharon Hess.

My deepest sympathy to the family of this young man. The death of a loved one can be heartbreaking, but when it is unexpected and the loved one is so young, the grief is beyond belief. I hope that you find comfort in each other and in the caring thoughts of your friends. May you also find comfort in the assurance that "God is near to those who are brokenhearted and crushed in spirit" (Psalms 34:18). Please accept my sincere condolences at this sad time.
