“ I've known the family from church since forever, but Martha was a lunch aide at Lafayette when I attended there. Stern, but fair. You could tell that she had a heart for kids, even though she was rough around the edges. I wish I could make it to the service this week, so I'm sharing this instead.

I'm praying for you all. Bob, I'm praying that this loss doesn't stop the joy that I've always seen in your eyes, and seeing you dance on Sunday mornings to the music at church. I can't imagine the feeling, but I know Martha was a woman of faith.

Misty & Drew, and the girls - I know she made you a little nuts every once in a while, but always saw that she loved you guys a bunch and wanted the best for you. I'll be praying for you guys for comfort and healing.

She had a heart of gold for serving others. She's someone that I'll never forget, and I know that I'll always carry some of what I learned and saw from her with me. She undoubtedly lives on in all of us.

*Love you guys.

“ I met Mrs. Lehn at Lafayette Elementary School in 1987, and then worked with her at Carter & MacRae Elementary School for many years. Mrs. Lehn was always a hard worker and loved her work with children. She was always very committed to the team in making school successful for children. Thank you Mrs. Lehn, on behalf of all of the children you impacted in your life! My thoughts and prayers go out to the Lehn family.

“ I first met Martha when I was a crossing guard at Price school back in 78-79. She was walking children to school and was always so friendly. Then our paths crossed many years later in 2001 when we became neighbors on Fairview Ave. May God accept one of His angels back Home with Him in Heaven. Much strength and Prayers for Bob and her family. Love and Prayers, Peg and Rick Cross.
