“ *I will always remember Mrs. Anderson as my elementary school nurse. She was a kind and caring lady. Because she cared so much, after failing my eye test 2 years in a row, she had my mother come to the school to watch me take my eye exam. I was 3 feet from the screen before I could see the large E. Mom & Dad promptly took me to the eye Dr. I have worn glasses ever since. My sincere condolences to the family.*
