

Mary Ann Emmert Beeler

January 11, 2018

Mary Ann Emmert Beeler, daughter of the late Joseph Holmes Sherrard and Amy Sherrard Rubincan, died on January 11, 2018 at the age of 93. After graduating from McCaskey High School (1940) she received her Bachelors Degree in Physical Education from West Chester University (1944).

Mary Ann touched the lives of many during her careers as Phys Ed teacher and Supervisor at Lancaster County Social Services. She was a natural athlete, accomplished artist, winemaker and card player. To Mary Ann's family and friends, her fun and passion for life were bedrock to all who knew her. Mary Ann's enthusiasm for learning, creativity and athleticism were qualities she inspired all of us to share. She had the ability to engage anyone around her pursuit of happiness. She'll always be remembered for her indefatigable positive outlook and seeing the best in others.

She is predeceased by her husbands Joseph W. Emmert and Richard W. Beeler, and daughter Roxan (Winston). She is survived by her children Sans (Jane), Dellise Mason and J (Sherri) and her beloved grandchildren Alyssa, Karly and Jaden.

“ *After graduating as HS classmates in 1940, I had not seen Mary Ann until an impromptu Lancaster class reunion in 2014, which I was attending from my home in Pinehurst, NC... a lapse of some 75 years !! Our attraction was mutual, and I recalled her gymnastic prowess in school! We began letter communications, lamenting the distance between Lancaster and Pinehurst, and planning for the next class reunion. Following a 2016 reunion, I hosted a dinner for Mary Ann and my Lancaster family and friends at the Belvedere Inn. We sat side by side and had a wonderful time, which included some boisterous group singing.*

Sadly, that was the last time I was to see Mary Ann. She failed to attend last year's reunion.....and my 2017 Christmas letter was returned, unclaimed. While our late reunion was short-lived, I will miss Mary Ann dearly, as will my sisters Janis Sylte and June Collins.

“ *I am so sorry to hear of the rather sudden and unexpected loss of Aunt Mary Ann. Just like my father, I know that if they could have, they would have lived life forever, and I know they are in spirit because we will continue to think of them often. They simply loved life and would not become discouraged by life's challenges! Also, I was always amazed at how pleasant and complementary Aunt Mary Ann was of me and my family. She always had nice things to say about everyone and raised four wonderful children just like her. I also know she was also particularly proud of her grandchildren. Aunt Mary Ann will be missed by all who knew her. Sincerely, Bob Sherrard*
