

Mary Ellen Decker

October 2, 2020

Mary Ellen (Kuss) Decker, 80, of Lancaster, PA

On Friday, October 2nd, 2020 we lost a quintessential American Beauty. She had a great personality, classic style and grace, was a phenomenal cook (with or without a recipe), and a legendary Lancaster realtor. She had too many friends to count, was happily married for 61 years and was the glue of the extended Decker/Kuss clans - hosting 42 Thanksgiving weekends in her School Lane Hills home.

Born in Allentown, PA, Mary Ellen was the daughter of the late August Charles and Pauline Kuss. Mary Ellen graduated from Endicott College in Beverly, MA where she was introduced to her husband, Tom. They married after a short courtship and had an enduring, wonderful marriage. After Tom and Mary Ellen moved to Lancaster in 1983, Mary Ellen obtained her real estate license. She was a very successful realtor for 25 years, starting at Coldwell Banker and making her last sale at Berkshire Hathaway's firm.

Mary Ellen made everything look effortless and easy. Due to her exceptional talent for selling real estate and her dedication to the Lancaster community, Mary Ellen had many friends in all walks of life. She was a Boys & Girls Club Board Member, Participant in Leadership Lancaster and was a devoted member of St. James Episcopal Church in Lancaster and First Presbyterian Church of Naples, FL.

In addition to her husband, she is survived by three children, Thomas Decker, Jr., (Robin) of Severna Park, MD, Jane Ellen Baker (Paul), Charles Town, West Virginia, and Andrew Decker (Jennifer), Gates Mills, OH; six grandchildren, John "Jake" Bullock, Alec and Mitchell Decker, Elaine "Lainey" Decker, Katherine "Katie" Decker, Mary "Molly" Decker; and her brother, August Charles "Chick" Kuss, Jr. She was preceded in death by her brother, John "Jack" Kuss. Mary Ellen was very close to many of her nieces and nephews and was a beloved, loyal Aunt.

“ Has been a long time since we crossed paths, like 64 years. My wife and I express our deepest sympathy on your wifes passing. One of the lasting memories I have of Norwich is when you and Sully were on the sentanial stairs, in the evening, and you both needed just a little bit of guidance to get you both back to your rooms. Life goes on and we always have our good memories that we depend on.

“ She was a classy lady. Someone women, young girls could look up to and see her do everything: mom, business, wife, grand mom, friend, community leader. She always made you feel like you were the only thing she had to focus on when you were with her. I hope everyone takes a minute to focus on someone else, building them up, helping them achieve and not be distracted. That focus meant the world to me. I always looked up to her and will value the time I shared with her and the family. She is missed, but never ever will she be forgotten. love and prayers to the family! From Karen and the Boys Club

“ I knew Mary Ellen through real estate. If you were fortunate enough to be represented by Mary Ellen you were in very good hands. I was the listing agent in a new home development. When Mary Ellen arrived with her clients to inspect the nearly completed construction, the builder's rep said "Here comes Mary Ellen. Put on your hard hats!"

We went to high school together and as I look at these photos, I see her as then looking elegant and leaning in with a smiling Tom. My warmest thoughts and happy memories go out to the entire Kuss/Decker families.

*Mary Ellen was a beautiful soul inside and out. With her clients, she reminded me of that old saying from the South--steel magnolia. Soft, quiet voice--with a warrior's heart. She will be missed. God speed, Mary Ellen. For Mary Ellen's family--the tears will dry and you will eventually smile and remember the very best memories. Her gift to you.

Tom is my older brother.. Mary Ellen was in my high school class. He came to pick me up after school one day, Mary Ellen was with the group. Tom said to me "who the hell is that!?" Sixty one years of marriage and their magnificent family. Every word written here it true. Any time I hear the name Mary Ellen, or think of Mary Ellen Kuss Decker, all these sentiments will fill my mind.
