“ Good Morning Missy. My wife and I would like to express our deepest condolences to you and family. Matt was a very awesome young man and I got to know him to be what humbleness is all about, "he never complained but would always have a big smile on his face". May God continue to bless and keep you all, until we meet again 🙏.

“ This is not an account of a singular moment, but a remembrance of ALL the moments that Matt touched our lives. He was in a word, selfless. The word ‘no’ wasn’t in his vocabulary. No matter the time of day or night, Matt was ALWAYS there; to transport a family member to work or to the store; to help a friend in need; to assist a co-worker with any task; or to provide shelter when there was no where to go. Matt’s door was always open as was his ear to listen and his heart to love. I had the honor of being his friend for 25 years. Though Matt and I may not have shared the same blood, I am proud to call him my brother.  
Rest In Peace Matt. You will be missed dearly.  
Much love brother!  
Kevin
