“ I had the honor of working with Maureen at the YWCA, serving on both the Board of Directors and Trustees. There are few people in life that I have found more inspiring than Maureen. Her courage and dedication to the mission of the YW were unparalleled, as was her endless curiosity about the world around her. Lancaster has lost one of her most cherished citizens.

“ So many have been impacted by Maureen and will continue to be into the future. Strong and rational she set high standards and stayed the course. The last time I saw Maureen was in the dairy section of Giant, she on her scooter and me with my cart. We began mid sentence even though we had not seen each other for several months. She made so many things possible including my wonderful safari to Botswana. Thank you, Dear Maureen.

“ I met Maureen through service on the Respect Together Board. She interviewed me for a Board member position a few years ago. Then, once I joined the Board, she recruited me to the Governance Committee where she served as chair. I feel truly lucky to have had Maureen as my mentor. Though I’ve only known her a few years, I’ve learned so much from her about leadership, speaking up for vulnerable people, and her sheer power of presence. I just wish I had had more time with her...a feeling I’m sure many of Maureen’s loved ones share. She was a beautiful person—inside and out. I feel extremely lucky to have been able to spend some time with her last week when she entered hospice. Your body may be gone from this earth, Maureen, but your fighting spirit on behalf of vulnerable people lives on in me and every one in your orbit. I will never forget you, Maureen.

“ I had the pleasure of working alongside Maureen at the YWCA (I worked at the SAPCC), and most recently in her work with the board at PCAR/Respect Together. I learned a lot from her, and will miss her so much. In a recent conversation with her, she told me how proud she was of me. I’ll never forget that. Rest in peace, Maureen. Thank you for all of your contributions to the world.

“ I met Maureen when serving on the YWCA’s Development Committee in the late '80s/early '90s. Kindness, intelligence, quiet strength and wry humor were some of her numerous attributes. Lancaster Countians are very fortunate that Maureen chose to live among us. I will miss her.

“ Years ago, in the middle and late 1980s, I used to swim over the lunch hour at the YWCA pool. Maureen was often there swimming at the same time.

She was a dynamic woman who inspired me as I came to know her. Despite obstacles she continued to be an inspiration to me through the years. I will miss her.

“ *Maureen was an inspiration, a mentor and a dear friend to me for the past 5 years. We would sit on her deck during Covid sharing a bottle of wine on warmer days- which the two of us did finish -while Maureen providing history and advice in my role in Development. She was in tune with the struggles facing women and people of color. She never missed an opportunity to raise up issues not always popular in Lancaster County with out fear or hesitation. Her love for the YWCA and the programs provided was evident in her words and actions. Lancaster will not be the same without her. May she rest in peace knowing she did so much for so many. I am lucky to have known her.*

“*Maureen was a wonderful, strong and dynamic woman. I had the pleasure of being under her tutelage as a program director from 2002-until her retirement. She shared so much knowledge and insight into many aspects of the YWCA locally and globally. I was also able to attend the YWCA National Conference in D.C. with her, which was one of the many highlights of my time at the YWCA Lancaster.*

I am truly grateful to have known her.

My sincerest condolences to her sons, Ethan & Matthew, family and friends. May your memories be filled with joy and peace.

Maureen, you will be missed greatly.
