“ *Mike was truly a very caring man. And I was fortunate enough to meet him at 2 previous places of employment. He was so proud of his family. And the last job I met him he was really enjoying his work in PT. You could see he really cared and want to help them with better mobility. He will be greatly missed by everyone he has touched. His life had purpose and things happen for a reasons that we don't understand. God bless you and your family. Sherry Brooks*
