“ *Becky and family, we are so very sorry for your loss. Please know that you are in our thoughts at this time.*

“ *Mikey, you were one of the sweetest, most generous and loving people I knew. I wish we had seen one another more over the years, and I will forever regret that we drifted apart. I will always carry with me the memories of you when you lived with us in Mine 37...many struggles for you at that time, but also a lot of love. And all of the wonderful times we spent at Nanny's in Pequea. You are now reunited finally with your Mom, Nanny and Pappy and Uncle Benny, and your sweet kitty. You couldn't be in better company.*

*I love you sweet cousin. You ARE missed.*
