“ Little Brother...its been 6 days and each day is harder and harder to deal...I never thought i would be sitting here going thru memories and pics of us over the last 32 years! Helping Mom plan your final affairs. Ya know...what u wore to ur viewing, what urn for ur ashes, what piece of jewelry i want in ur memory, what food we are having at ur service and even who can and cant come to lay u in ur final resting place!!💔 I always thought i was strong and could handle anything....I was wrong!! This broke me down bro!! Bad...real bad!! Ive been crying for 6 days and its not gonna stop anytime soon!! I try to do what i told u in our many convos but i cant help it!! I said i would be strong for mom and ur pops but i cant even be strong for my own kids!! They gotta be strong for me!! I knew it would hurt but i didnt know how it felt!! Not this kinda pain! Bro it hurts in a way nobody can imagine. Nor would they want to. I know they say u are in a better place now but thats not what i want!! Call me selfish but i want u back!! I would give anything!!! Thats not possible so i will forever cherish our bond and memories till we meet again!! I love u sooo much brother! I know u knew that and thats one little thing that makes me smile! U knew i loved u and would do anything for u and i know u love me!! I know u love all of us...Choch, Me, Brandon and Jason. I know how much u loved ur son!! He was ur pride and joy!! Ur "seed" is what u called him. More like ur twin!!! I know how much u loved Mom. U thought highly of her and loved her so much she made u wanna yell at her all the time!! I know u were very worried lately about her. I know how u loved ur dad. "Pops" even tho he wouldnt jump every time u said to. And u got mad if he didnt!! Lol.. And i know u loved the rest of the family too! We will all be together again one day so act right up there till we meet again!! #flyhighbro
