“ *You were the light of my life and i cherished you. We laughed together, cried together, learned so many things together. We built a life together over the last 30 years with many memories (good & bad) but at the beginning, middle, and end of each day we never lost sight of the love we shared. I am already missing you deeply Michael but i will see you again someday and know that you will be waiting at the gates to take my hand. I love you and will never forget you. Rest in Peace until i see you again.*
