“ *To the family, our deepest condolences. Michelle, cousin, you are in NO more pain. You're walking and dancing with the utmost ease. And always that smile, that lit up everyone's day. I'm so going to miss our times at Central Market, (you , myself and Cissy!) and bumping into you at Rite Aid. 😊 Just the talks, you were always on point. But, we've got the memories, and they will forever bring us happiness. Listening to this song just makes me think of you. Mary J. Blige, "Just Fine". Yep, I'm dancing, and smiling knowing you are at His side. Rest In Power cousin, and thank you for always keeping life real. You are loved. Charmaine, Aunt Jo, and Jen.*

“ When I saw this notice I immediately remembered Michelle from many years ago when as a courier, I was there when she was waiting for her ride from the campus. She had told me that she was a nurse and was on dialysis. She was such a sweet and caring person who never complained and I am very deeply saddened to see of her passi

“ From Esther Lentz -
I met Michelle thru my son Joey Aponte who went to be with Jesus on 09/19/2010. She was a “spark” in his life. He enjoyed her friendship for many years. From the moment I met her Michelle continued adding “spark” to my life. I recall her visiting us in my home many years ago. She was ALWAYS a joy to behold. Her smile was continuous no matter WHAT life dished out to her. She will now add “spark” to the family and friends who are with her and our Lord. I pray that knowing she IS with Jesus will give her family comfort and peace.

“ Through all of Michelle's problems, I never saw her or talked to her, when there wasn't a smile on her face, she had a beautiful spirit.
