“ *So sorry to hear of Milford's passing. Worked with him for 25 years at "The DOT" both as a fellow equipment operator and I was also his foreman at the Quarryville stockpile for many years, before I was moved to district construction unit. He always had a cheerful smile for everyone. Used to see and talk to him at Barnstormers games over the past several years. Again sorry for your loss, Russ Long , Construction Manager 1, Penndot District 8, retired.*
