“ *Nan was a dear friend to my mother, Julie Shirk. As my Mom was in her last few months of life, Nan sent her a funny white teddy bear with a red hat, purple boa and the song "Girls Just Wanna Have Fun!" I would like to think at they are having fun and laughing together now.*

*My condolences to the Droz family and friends. She will be missed.

“ *Dear Droz Family-  
Nan was a wonderful community volunteer and neighbor. I served on the Manheim Township School Board with Nan many years ago. She was a valued board member and a mentor to me. My thoughts and prayers to all of you.

“ I knew Nan (she asked me to call her that) for many of the 26 years I worked for the Blind Association (aka Lancaster County Association for the Blind, Sight Saving Center, Susquehanna Association for the Blind, and now Vision Corps.) Though I was not an executive, she never failed to stop and share a story or just a kind word with me. She was an enthusiastic volunteer and an effective President of the Board. I retired before she did, but I'm sure she was and is missed by many. My sincere condolences to her family which she loved very much and in which she had much pride.

“ *To Bob and all your family -- What a shock to think your lovely Nan is no longer with us. I hope her passing was peaceful. I remember her from our Junior League days years ago, especially the Follies -- I actually remember you too, Bob! It was a hysterical time of fun and friendship. And I've certainly enjoyed seeing her in recent years at LCC, with children and grandchildren.  
With Hugs and warm wishes to you.

“ *I've known Nan Droz since the late 60"s. I remember her as being the " Head of the Red House" on Old Orchard Rd. And an out spoken yet effective MT School board member. She raised 5 wonderful children. I ran into Nan at the small SKH on the Oregon Pike last summer. We had a nice talk remembering the good old days in Mondamin Farms. RIP.*
