“ *Dear Schley, Fridy and Weatherill Families,*

*Nancy was one of a kind. I will miss her dearly. I was looking through some old emails and her humor made me smile with each one I read. I know she was the anchor of the family and I hope you find the strength to carry on without her. I pray that your memories of her help you through this sad time. Love and hugs to all of you.

“ Nancy and I shared a lot of good times brainstorming problems when she headed up the Transitional Care Unit at LGH. We found time for occasional lunches and girl talk too. I enjoyed the times she took me to the Hamilton Club for dinner with her friends. Later my husband and I socialized with her and Bob. Lots of good memories. Nancy my friend, you will be missed. Keep your sense of humor and make those angels smile.

“ I always admired Nancy and her Honesty. I loved watching her & Bob doing the jitterbug. Just saw her at Bingo Tuesday night and she said tell Mike she got her deer with her car.
