“ *I have known Nancy for many years. She and I worked together as bank tellers. We also enjoyed several golf trips together with our husbands. When they moved from Michigan to Tennessee we would visit them and eventually moved to the same golf community and spent a lot of time on the golf courses together. There are so many happy memories we have of our times spent with them both.*

“ *Nancy was my dearest lifelong friend through confirmation, high school and marriages. Enjoyed raising our families together and even several Florida vacations with her. She was a gentle, caring, loving soul with a passion for animals and music. I will miss her deeply and send my love and condolences to all who knew and loved her. Rest in peace, dear friend,*

“ It was wonderful having Nancy as an aunt. She fostered the love of big dogs in me. I will never forget the day my cousin Mike and I were spending the night with you guys when we all went and picked up Harry your sheep dog when he was a puppy. I also remember riding our horses, or snow mobiles or dirt bikes at your house and having a blast. Uncle Danny and Nancy and together now which is a comfort.
