“ *Nancy was a very caring person. We've gone to family reunions as far as Dorney Park. Was a delight to have her as my sister . Not a sister - law. But a true sister. We worked together at some of our jobs. Jim and Nancy helped get our sister Mary's trailer ready for her . She worked beside us digging dirt working in the yard. And on some land. She would work with you and would not ask even a penny. Why did we get old and couldn't do as we done before? But we always loved the reunions closer to our house. We had some grown up visits at friend while the kids were in school. Just enjoying the beautiful day . Nancy will be missed . It was fun working with her. Love to her always. For one day I'll be up there. Seeing family that I loved so much. I sat and talked to family who was at her bedside for a few hours . She passed on peacefully. May God be with her and Jim always.*

Mrs. Kaufman was a very beautiful person inside and out. Oh to have had her as a mother. Her children and grandchildren are very versed and they will see them again in heaven where there is no more sorrow pain. I believe the reason her so I'm paying on this earth is to humble us as a human race and to be compassionate to each other.
