“ As her granddaughter, Nevaeh Dejesus. It hurts that she has been gone for approximately 5 years. She was not only my grandmother, but my best friend. She took me everywhere , bought me anything she thought I required and needed, but not only did the materials bring joy to my life. She did. I wish I could've said my good byes appropriately, but life isn't the way we need it. I just miss her so much, but I know that she must rest. I will see her before long, fair not presently. She needs me to succeed in life, and in order to do that, I ought to let her rest. R.I.P Grandma
