“ *May the bereaved family be comforted by looking forward to Jesus' promise of seeing your dear loved one again.*

*Revelations 20:13~ And the sea gave up the dead in it, and death and the Grave gave up the dead in them, and they were judged individually according to their deeds.*

“ I wanted very much to reach out to the family (especially James Brown and Rebecca) to express my sincerest sympathy regarding the passing of this dear lady!! I had the privilege of working with Norma at J.L. Clark for many years. She was in the Press Department and I was in the Finishing Department. When her husband passed away, I introduced her to the Lititz Senior Center, so she could fill her time and be involved with other people. She was indeed a neat neat lady!! I, like many others, will remember her always!

“ Being that Easter just passed I was reminded of the HUGE Easter basket my nan and pap would bring for us kids when me and my brothers were little. My nan would take us younger ones to the window and show us where they were hiding some of the eggs. She did that so we had some what of a chance to get some of the eggs. Nanny I will miss you and love you. Rest easy now with pappy and God. Till we meet again I will think of you often and remember the food times we had together.
