“ I am an RN and worked with Ossie in 1982 -- 1992 at the former St Joseph Hospital. She was tiny of stature, but a real dynamo. She was an excellent nurse and needed very little direction. I was a patient on 4 East and Ossie gave me a bath; when she was done, I still had most of my skin and, I sparkled! Ossie always had the whitest uniform and shoes. She put us to shame. She was kind, compassionate and generous. How glorious that she lived to be 98! She touched my heart, and they hearts of all who came under her care.

“ Dear Mike, Denise and Family: It was with great sadness I read of the passing of Osee. Oh yes the pinochle games we played were fun and memorable to say the least. Love and prayers, Bruce
