“ *Dear Kathy, Linda and Lisa;*

*We have already grieved for the loss of your mother as we knew her. She was just one of the best friends we could have been blessed with - always welcoming and always preparing special meals for our visits. It was so hard to see her these last years, with only small glimpses of her formerly vibrant personality. It felt like such a gift the few times she recognized us and chuckled during our conversations. So glad we had those visits!*

*We can now rejoice in her well-deserved peace.*

*Love to you all,  
Kathy and Park Wiker*
