“ Peter, Betty Ann & Barbara Jean,

I want to express my sadness and many thoughts of you and your experiences at this time for the loss of your son and brother. Although I've lived away from you (in the Midwest), I have good family memories of Tim and all of you that have lasted all through the many years. Because of our different paths in life, I didn't know my cousin in his adulthood, but I can guess that he was caring, giving and a man that loved greatly in his special way. Since I too, lost a brother recently, in the past six months, I can identify with the sting that is somewhat felt by you. However, I know that Tim's spirit lives on in a much better place with the God of all. Please accept my heartfelt condolences and know that prayers are being offered up on your behalf at this tough time.

*Love,
Your nephew & cousin,
Don*

“ *I worked with Tim for many years at Camp Hebron. He was a gentle man, loved by so many people. He will be missed, but we rejoice in knowing he is now in Paradise.*

“ *Buhr family:*

I was downtrodden to hear about Tim's passing when I came into work tonight. You are such a beautiful family, and my heart goes out to you during this time. I know it's hard, but trying to remember the good, hopeful things helps to get through the sadder times. You are in my thoughts and prayers, and I will miss your presence at Calvary.

*Much Love,

“ *I had the pleasure of knowing Tim while working at Lighthouse Vocational Services as one of his floor supervisors. I also knew him through Friendship Community years ago. I remember Tim as very friendly and curious. He was a kind soul and will be missed greatly. My condolences to his family.*
