“ *I'm so deeply sorry for this huge loss. I'm so upset I missed the service and just now saw the obituary. DaVita has an empty chair every morning that has Pablo's "name" on it. The first person in the parking lot. The smile to greet me at the door three days a week for over 3 years. The calm, cool, collected man who couldn't wait to share the pictures of his "babies". He bragged about his family and loved them dearly. We talked a lot about his brother before I left in 2018, but he always started off asking about me and how I am doing. Again, I'm so sorry for this great loss and wish I could have paid my respects in person. With Love, Maria Walter*

“ Pablo a human being with a big heart. My memories with Pablo were all blessed, Pablo and I shared the love of our grandchildren and I can say that Pablo loved them to heaven and beyond. I always admired Pablo and the love he had for others, especially for his daughter Marisol Ortiz.

Pablo was a man dedicated to his daughter and lived to watch over and help his daughter. Pablo was always present. I'm sure Pablo will be missed by everyone especially his grandchildren. who call him (Guelo).

May the Lord have you in his glory Pablo, Rest in peace that I will always be present in the life of your daughter and your grandchildren just as you did.

John 11: 25-26

25 Jesus said to her: I am the resurrection and the life; He who believes in me, even though he is dead, will live. 26 And whoever lives and believes in me will never die. Do you believe this?

Pablo I see you in heaven!
