“ *Oh my Pat! We were Teacher aides for the IU13 and Pat worked across the hall from our classroom. We had lunch together every day. Pat was a very gentle person and the kids knew they were in good hands. I saw Jean in one of the pictures with Pat! I enjoyed the video. Amazing what all one does in their life time. Now she is on vacation.*

Pat was a good work buddy. We retired together and shared a special party with our fellow employees. She was a special lady and I will miss her.

I knew Pat in the 1960 's when we were neighbors on Reynold's Ave . She was an avid reader as was I and we shared many books. Our children were friends too and our porches were always full of neighborhood kids playing games. She made the best iced tea, and grew mint for it in her back yard. A lovely person and good mom.
