“ *Judy and family,
Not one single child or youth ever passed through the doors of Holy Spirit Church without knowing Pat Cauler. He was the first to greet them, share a laugh, and invite them into the family of faith. Pat could always be counted on to provide rides (didn't matter to where or when), share a treat, guide a "lost" one back to his mom, dry a tear, lead and play games at CWEP, cheer at middle school and high school games for the kids. chaperone a trip (short or long), make arrangements for Santa to appear at the Christmas party, repair homes on mission trips, help in the kitchen with dishes or cooking - whatever the need, and would do whatever was necessary to make certain every child (big or small) felt valued and appreciated. No one was ever left behind - Pat made sure of that!*

I will always remember Pat for his love of people and especially those people finding their way to adulthood. He provided invaluable support to young ones during difficult times and was always available to provide a listening ear. He valued every person and made sure they knew they were valuable. Pat is dearly missed but his love and the impact he had on the lives of many many youth will live forever.

*Our deepest sympathy continues to be with your family. In Christian love,
Debi, Joy , Jim, and Becca*

“ *I will remember Patrick as a dedicated kind, loving father, husband, grandfather and son in-law. His sense of humor could brighten up a dreary day. He created a great family who I wish well as they remember the blessing of having had him in their lives.

“ *To The Cauler Family,
So sorry for your loss. Pat and I worked together for close to 35 years at Armstrong. He was one of my best friends. A fond memory was Pat and I driving thru a blizzard after leaving Armstrong and there was no way he could make it to his home in the southern end, so I invited Pat to stay at our house which was much closer. Got up the next morning and Pat had our fireplace going full blast. He was one of the great guys. Will miss him!*

“ Judy, and girls, so very sorry for you lost, but know that he is in a much better place. You will miss him, but someday you will be with him again. I remember in school he was always a seat in front of me or in back of me how ever they put us. But ever so kind to me ha ha, and in our adult years he never changed. Remember the good time spent with you both at Louise & Gary's. What fun we had. God bless you all, with many good memories. Loved the video. God Bless, Gloria & Butch
