“ *My memories of Mrs. Conlin date back to the early 1950's as a neighborhood youngster on S. Duke Street. I can recall many times playing in her home with Jesse and his many sisters. One outstanding remembrance was when I heard that Mrs. Conlin just gave birth to a baby girl. I was mystified and puzzled because I was never aware of her looking or acting pregnant .... whatever that might look like to a 10 year old.*

*Having lost track of her and her children, I was shocked and saddened to read of her passing. In addition to longevity, I hope her quality of life was not diminished in any significant way.*

*My deepest condolences everyone.*
