“ *I have so many good memories from my years working with Pearl at MSU. She took me under her wing when I first came to the University and we became fast friends. Rich and I then spent many fun Sunday afternoons with Pearl and her family--and, Oh! I can't forget the time we spent baking Christmas cookies at our home and the time she and her daughters did chorus-line dancing in our living room. All special memories or a special lady. With sympathy to the family but be comforted knowing Pearl will liven things up in Heaven!!*
