“ *To the family of Peggy Jane Krawizcki,
I am sorry to hear about the loss of your loved one. It is no sadness and pain that you feel when losing a loved one in death. During this time this is where family and friends love and comfort means so much.. I know when losing someone in death it reminds me of the promise that is found in John 5:28,29 which gives some comfort now and hope for the future. Once again, I am sorry for your loss and please accept my sincere condolences.*

“ *Jody,
So sorry to hear of your Mom passing. While she was stern with us as kids (not that we didn't need it) I most remember her hearty, jovial laugh which you too inherited.
I'll be thinking of you as this day goes on.*

*Peace
Mike*

“ *Betsy and Jody,
My condolences to both of you. I remember so many good times with you, Jody, and your mom. Those that stand out the most are the Phillies games and eating at Elby's. Of course, i will always remember playing at your houses on Park Avenue, and the sleepovers on Louise Avenue. Your mom was always so accommodating and welcoming. My prayers are with you. I will be with you in spirit as you say goodbye to a remarkable woman.
Love, Denise*
