“ *Ellen-
I was deeply saddened to hear of Peter's passing and my thoughts and prayers go out to you at this difficult time. Peter would always bring a smile to my face whenever I would see him and I know he brought constant joy to you (Cookie). He will be sadly missed by everyone who knew him, as he was a "special" guy, not because of his disability but because of his big heart! I am thankful that I, along with so many others, were a part of Peter's life in the community; we are all better for knowing him.*

*With warm regards,
Jim*

“ Thanks all for your kind words. Mrs. S., I remember you driving John and I home one day when Peter was in the hospital and you told us that he was not expected to make it through the night. He was about 2. He fooled all of us!
He was strong and fought so so hard, his body just said enough!

“ Ellen,
I just wanted to say again thank you for being a part of Peters life. You made him so happy. Every time we would be driving some place he would say out loud “there is cookie”. You were a blessing to Peter. You should have no regrets because you spent so much time with Peter. You were an amazing sister to Pete and just know he was always talking about you. You have such an inspirational story to tell as well. I can see that your brother really inspired you to be who you are today. Please let me know if you need anything.
