“ *Ralph came to Lancaster System Operations at the same time that I started there. As Donnie said, he was one of the smartest people I ever had the privilege to know. Ralph was also gracious and a pleasure to work with. "Too soon gone"*

“ *Ralph and I met and worked together on PPL's Lancaster labor crew in 1968 and we both retired on October 1st, 2009 as Lancaster System Operators. Ralph was one of the smartest guys I ever met, he had an incredible memory and a great work ethic. There wasn't much he couldn't figure out. Until we meet again my friend.*
