

Randy J. Fisher

June 2, 2025

Randy J. Fisher, 71, passed away from Alzheimer's complications at Hamilton Arms on Monday, June 2, 2025. Thanks to all who aided in his care. He was the son of the late Robert E. Fisher, III and Barbara Ann Fisher.

A lifelong resident of Lancaster, he graduated from McCaskey High School and attended classes at Franklin & Marshall College. He was proud to say that he achieved the rank of Eagle Scout. Randy worked for U.S. Boiler Burnham for 44 years, advancing from the mailroom to regional manager. He bled Burnham blue and was dedicated to his job, and was fortunate to have been able to travel for his job.

Randy enjoyed many cruises to interesting ports, thanks to friends who invited them along. Other interests included golf, where he enjoyed a challenging round and fellowship, then getting together afterwards at Riverside Club, harness racing, as well as locally training harness horses. Randy traveled many miles, attending both harness and thoroughbred tracks.

He is survived by his sister, Barbie Shirk (Tom); nephew, Jason; niece, Ashley; great-niece, Scarlett; and many cousins in New Orleans. He will be deeply missed by his longtime companion, Carol, and her sons, Jim and Tom Brandt. In addition to his parents, he was preceded in death by his brother, Ronnie.

Relatives and friends are invited to attend Randy's Graveside Service at Riverview Burial Park, 1100 S. Duke Street, Lancaster, PA, on Monday, June 9, 2025, at 10:00 a.m.

In lieu of flowers, please consider donating in Randy's memory to the Salvation Army, 131 S. Queen Street, Lancaster, PA 17603, or a charity of your choice.

“ Randy was a legend not only at US Boiler, but throughout the industry. He travelled tirelessly and was known for his kindness and generosity. He was beloved by customers and respected by competitors. It was a pleasure knowing him. I'll hit a bucket of balls tonight with his old Cobra S3's in memory of a great guy.

For well over 30 years myself and many others were blessed to call Randy our dear friend. Brought together by business we became fast friends. Everyone Randy met became a friend and experienced his infectious laugh , love for golf and his " always willing to help" attitude. We all miss Randy.

A life well lived Randy !

Hello Carol,

It saddens us very much to hear about Randy's passing. As I remember, Randy was always a very outgoing, personable and fun guy to be with. His laughter and vibrant voice will always be remembered. Back in the day, when the Burnham Christmas parties were fun to go to, I always looked forward to Randy being the Master of Ceremonies and then him calling all the guys (and Gals too)for 'shots' at the bar I won't forget those days

I hope as the time passes, the heavy emptiness in your heart will lighten as the memories of all the pleasant times with Randy dwell within you. I am a firm believer that when God calls us to join Him in Heaven, we All will be reunited with our loved ones (including our Pets) and there will be more 'shots' to be shared together once again.

This world has lost a wonderful person and Heaven has gained a Great Soul.

Our deepest sympathy goes to you Carol. We will miss him very much !

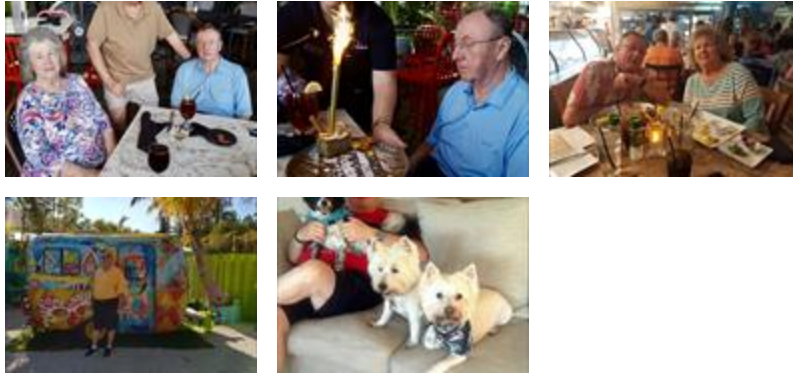

Love,

Bill and Robin Danz

“ Randy and I were great friends for over 20 years. We had a common interest in horse racing and traveled to many racetracks over the years. Randy, Carol, my wife and I also did a lot of ocean cruising. Randy and I would walk around the entire outside deck after breakfast and then stop for a doughnut! We always had a great time.

Over the last several years the 8 friends (Randy, Carol, me, my wife Jeanette, Fred, Roxanne, Sandy and Syd) would continually get together to play cards and go out to dinner. Randy was always funny and great to be with. He will be missed.

Randy had an amazing laugh!! You couldn't help but laugh with him. He was a great friend, we had so much fun over the years. Randy and Carol were the first friends we made when we moved to PA. We loved traveling, visiting places and just hanging out together. I miss him. God speed Randy and may you rest in peace. Jeanette K.

“ It was an honor to work with someone like Randy and will miss his priceless thoughts on work, sports and life in general! Everywhere we traveled, he forged friendships with our customers (and their families) and they always looked forward to his visits!

I will always remember Randy's quirky personality, smile and laugh and what a good friend he was. And yes my friend, you were by far my favorite Factory Regional Sales Manager and the best one too! (As you had me tell you numerous times!) But you were even more of a good person and friend who brought joy into people's lives.

You have moved on but you will be "Not forgotten and forever in our Hearts".

Rest in Peace Fish

“ It was a pleasure to have worked with Randy at US Boiler. When he came up to our floor he lit up the room with stories and his infectious laughter. He was warm and engaging. He will be remembered for his passion for boilers, bull dogs, gulfing, fishing trips (salmon), and the pens he would select to gift others.

“ Randy was one of the most generous people we have ever known. We have always wondered how many golf club sets he gave away. His laugh was contagious. The sound of it would make anyone smile. You will be missed.

“ Randy was one of the most kind and funny people I have ever met. One of my favorite co-workers ever. He most certainly bled Burnham blue. In all my years at Burnham I never once heard anyone speak of Randy with anything other than admiration and funny stories. I'm so sad to hear that he passed away at such a young age, from the horrible disease of Alzheimers. My heartfelt sympathies to all who knew and loved him.

“ Randy was a very dear close friend of many years. He was one of 3 guys who had breakfast a couple days a week at Alices Restaurant. We were called the ROMEO Club, Randy, Fred & Steve, Retired Old Men Eating Out. Through the years, Roxanne & I and our sons, Dave and Steve, had many memorable adventures with Randy & Carol. May your Spirit live in the many lives you touched. You will be greatly missed. Fred & Roxanne Fidler
