“ *I want to share my sympathies with the family, especially Sips sweet mother, Joyce, and sister, 'Patty.'. My memories of Skip are from many years ago, when he was but a child. My mother, Geraldine Arment Worrell, and Joyce were very close friends, and my brother, Eddie, and I (Judy) would love to visit and play with 'Skippy' and 'Patty!' They were all fondly remembered through the years as such good and wonderful people, as we would reminisce. We lost contact when we moved across the country to California. My mother and brother are gone now, however, when I just heard of Skip's passing from a relative still in Lancaster, I wanted the family to know that all these years later, Skip is still remembered fondly for being such a kind, but fun, person, even in though the memories are from childhood. God Rest His Soul and may God give his family peace and fill their hearts with warm, wonderful memories to ease the pain of their loss.*

“ Skip was my backyard neighbor during my early childhood days, along with his sister Patty. I always enjoyed the play times we shared together. Skip was also a friend to my older brother. I appreciate that Skip served his country faithfully, especially during an unpopular war in Vietnam. I am sure Skip will be missed. Thanks Skip for being a small part of my childhood memories.
