“ Please accept my sincere condolences for the loss of your son, brother and uncle. Jun/Jon and I meet at Millersville and shortly there after became friends. It initially felt strange being the only Hempfield high grad surrounded by all his Catholic High friend.(Jere, Duch, Vinny, Doc to name a few). After college, we continued our friendship where he was a groomsman in my wedding and a Ninong to my son, Jonah. I cherished his friendship and the time he took to visit or call. You always knew when Jon was in the room. It was filled with laughter and story telling.

We'll miss you Jon. Hanggang muli pare ko.

“ Dear Mr. and Mrs. Oliveros, Jocelyn, Rod, and Ron,
Jon was a student at Lancaster Catholic High School when I was a teacher there,
and my sons, Jim, Chuck, and Scott knew Jon and, Jocelyn, Rod, and Ron. Jon
was always cheerful, smiling, a bit of a goofball sometimes. Jim remembers
sharing gloves with him at football practices. I remember Jon fondly. Please
accept our condolences for his loss.

Jon contributed a lot to many people in his short life.

“ I knew Renato since grade school. He was always friendly, honest, and helpful.
He was an empathic, old soul with a heart of gold. Renato was always smiling
and laughing and I always felt calm and safe around him. I was deeply saddened
to hear of his passing and disappointed I was not able to attend his service to say
goodbye. He gave his life helping others; a caring man with character and
integrity, he will be missed.

With Love and Gratitude,

“ My deepest sympathy to the family of Renato. I came to work with Renato when I moved to the east coast. He was one of the most welcoming person when I was new to the facility. Over the years I have witnessed how generous and thoughtful he was. Being a Filipino, he would always share with me his Ampalaya harvest and he would say to me, make sure you bring home your “Umpalaya” as he calls it. He also brings twizzlers and points out they are fresh from Hershey’s factory. Patients ask for him and remember him even after being discharged from the facility. It has been a real honor and pleasure to work with him. I miss sharing the details of our “bakasyon” to him as he really enjoys hearing about trips to the Philippines. He has touched and made a difference to so many lives. Thanks for everything Renato! You are missed! We love you!

“ When I read of Jon’s passing I was stunned. The Oliver’s family moved in next to us in the 70’s and they became the best neighbors ever. When my parents died his father came to their funerals. This friendliness was passed onto Jon. I spent a lot of time with the kids and today it’s still a favorite part of my life. I saw him grow up and had discussions about what he had for his life. He will be missed. The family has my prayers of comfort going to God.

With much love,

“ Dear Mr. & Mrs. Oliveros & family.
We were very saddened to hear of Jon’s passing. We fondly remember him as that little Cub Scout so many years ago at St. Joseph Church. May your faith in the Lord Jesus bring you the comfort you will need at this very difficult time. Our thoughts and prayers are with you.

“ Oliveros family

I am so sorry about the loss of Jon. He was a great friend and I will always cherish the memories with him and your family. I can remember our time together at LCHS, working together at Garfield's, being roommates at 1G Brookwood at the "Ville", going on a deep-sea fishing trip with him and your family in New Jersey, and Jon coming out to Kansas City to visit me to watch the Eagles take on the Chiefs.

God bless Ollie

“ Mr. and Mrs. Oliveros, Jo, Rod, and Ronnie,

I'm so sorry about Renato, always a truly good person through and through. I'm honored to have known your son and brother since grade school, especially after you all moved to Quaker Hills. I looked forward every day at St. Joe's to the time we spent after school in your basement, backyard, or driveway. Those are some of my fondest memories. Thank you all for welcoming me into your life, into your home, and and to your family, for I am a richer person for having Renato as my friend.

God bless you all, and I love you all dearly,

Tim Dougherty, fellow St. Joe's Hillian and Quaker Hill-ian

“ My heart goes out to the entire Oliveros family. As close, faithful, and loyal as you are to each other, losing Jon is devastating. But his memory, legacy, and the impact he made on those around him will live forever.

“ My thoughts and condolences go out to Rod and his lovely family during these difficult times. Although we have not spoken in quite some time, Rod, you are a special person who left an indelible mark on my life and I'm saddened by your loss. In time, may your family find only peace and happiness in Renato's life and legacy—as well as the memories—that no one can ever take away from you. I am sending strength your way today and always. — Sincerely, Tom Bejgrowicz

“ In the two years I have worked with and come to know Renato, I will always remember the way his patients asked about and talked about him. They truly loved him and appreciated him and all he did for them. When I was new to the facility, Renato welcomed me. When I was going through a tough time, he reached out to me. His presence is deeply missed. Rest easy, Renato.

“ Renato and I have known and worked with each other for the majority of my therapy career. He was always a great person to be around, joking and carrying on. There was never a dull moment when Renato was around. This man had the biggest heart to everyone including our residents.

“ I had the pleasure of working with Renato at my very first job as a therapist. He was always so good with his patients, the staff, and with any newcomers to the facility. He also adored his family and loved sharing parts of his heritage. He is one of the most genuine, non-judgmental, and loving people I have ever met. The world was a better place, because Renato was part of it. We lost a true gem.

“ I have worked w Renato at 3 different facilities. He loved his patients and could always be counted on to jump in and help in a difficult situation. Working w the geriatric population, his name came in many forms, Toronto, Alfredo, Renaldo and many others. He always laughed and usually just let the patients call him whatever they thought was his name !! He is already missed and will always be remembered! Love you my friend. God keep you safe.

I will allways remember how nice and thoughtful Ranato was and how he would bring Dunkin munchkins for staff on weekends! While passing my meds I could hear him laughing and talking with the residents. I'm going to miss hearing him! God bless and Thank you for everything you have done for us and our residents!!

Renato was a great resource for me when I was a new graduate. I continued working with him for over 5 years, during which I continued to learn from him. He was so respectful to patients and a delight to work with. Blessings and peace to the family.
