“ *Dick was an awesome neighbor and friend years ago in Lampeter and thereafter. You know we never heard Dick speak a negative word, (except in good humor)! He was always kind and uplifting in conversation. We'll hold those memories dear, and he loved his family. During this time of loss and grief, we pray God will give your family strength, comfort, and peace. Fondly, Blaine and Caroll Pennypacker*

“ So sorry to hear of Bucky's Passing. We had a lot of good times together. I've known Bucky since 1978 when I started working at RCA. He was a good true friend with both my Father, Mother and myself. Bucky was always willing to help others out when they needed it. He will be missed by all who knew him. To Bucky's Family, sorry for your loss. If you need anything just ask. He loved you all especially his Grandchildren, he was so proud of their accomplishments and loyalty to the family. He told me stories every time we were together. Goodbye for now dear friend!
