“ *Dear Polly and Ray, I wish to extend my sincere condolences to you and your entire family. Polly, I went to high school with you, and later worked with Ray at Suburban Cable. Polly, you and Ray are both wonderful representations of the man your father obviously was on earth. I pray for comfort and strength for you and your family during this difficult time.*

“ *Dear George and family
I had lots of battles with Bob on the squash court and he was always fair.
All of us at the Hamilton Club will miss his friendship and comadrie.

“ As his granddaughter, I always looked up to him. He was the patriarch and I will always remember how proud he was of his family and how he wanted to hear “what we learned that year”. We love you grandpa! You will be missed!
