

Robert G. Dobslaw

November 16, 2015

Robert G. Dobslaw ESQ, 74, of Lancaster, passed away on Friday evening, November 6th, 2015 at Lancaster General Hospital. Born in Chicago, IL, he was the son of the late George and Margaret Dobslaw and the husband of Lynnore Worthington Dobslaw. Together, Robert and Lynnore celebrated their 38th wedding anniversary on June 4th, 2015.

Robert was a graduate of Thomas Edison and Widener University School of Law. He worked for Korman Residential and Dilsheimer Communities, and was recognized as the “Sales and Marketing Manager of the Year” in the 1970’s before becoming a Real Estate Attorney in the greater Lancaster area for Charter Homes. In his youth, he was a volunteer firefighter. An avid traveler, he loved to plan family trips in his Winnebago and take part in father/son trips and grandfather/grandchildren trips across the country. In recent years -- and because of his love of trains – he partook in a number of trips including excursions aboard the Southwest Chief, Coastal Starlight, and Empire Builder lines.

Robert will be lovingly remembered by his wife Lynnore; his sons Brian, (Jodi) Dobslaw of Elizabethtown, Randall, (Diane) Dobslaw of Portland, OR, R. Michael, fiancé of Kristen Roskov of Raleigh, NC and Patrick W. Dobslaw of Collegeville, PA, his four grandchildren; Blake, Brett, Lauren and Nicholas, and also his sister, Christine Budak of Lakeside and his brother, William,

(Colleen) Dobslaw of South Bend, IN.

Tribute Wall

“ *Mr. Dobslaw was my professor at HACC in the early 2000's for my business law class. I today, and many times before, have told the story of him in one of my first classes that he taught. We were feverishly writing notes from his lecture. He abruptly stopped speaking and says "look guys, you can write all of the notes that you want. Every quiz, test, and exam in this class will be open book. If you want to become an attorney you could never memorize every case law that is available. Your success will be determined by how well you can source the information." That statement transformed my education and to some extent my life. I can say that I have used that statement and referenced him many times in my life. Condolences to his family, he has made a lasting impact on my life and I speak his name with fondness every time. His legacy lives on.*

BJ

“ Dear Lynnore and family,

*I had the pleasure of working for Bob when he owned Video Place. This was the first VCR and video rental place in Lancaster. He was a kind and caring man who was so ahead of his time. I remember Bob saying that every home would have a VCR in the future. They were very expensive at that time and it was hard to imagine everyone having one but of course, Bob was right, as usual, and indeed it wasn't too many years till everyone did own one. I was saddened to read of Bob's passing and am sending love, prayers and many healing thoughts to all of you. He was such a lovely man. Sharing your sorrow,
Beverly Jordan*
