“ I would like to express my sincere condolences to the family. I still process his departure .. from the bottom of my heart I will always be grateful to Dr. Bob. It was a great pleasure to have worked with you .. you opened the doors for me to get on my way in my work and I did so .. thanks for your advice and for everything I learned as your therapy assistant .. I did not get to know your wife and his beloved daughter in person but believe me that day after day Dr. Bob spoke very proudly of you and told us how much he loved his family. It was a pleasure working for you and on behalf of all your patients who loved you so much .. Rest in peace Dr. Bob

“ *Uncle Bob, Aunt Marty, and JoJo- love you all so much. Such great memories, family vacations, sleep overs (when I wasn't a chicken!) many nights playing with your trains in the basement, great memories, and warm hugs. Your time here was cut too short, but the memories will live on forever. Love you and miss you.....when you see grandma give her a hug for me! Xoxo*
