“ Dear Dad,

I can not believe you are gone. You were loved by so many. I am trying so hard to accept your passing. I know you wouldn't want everyone to make a fuss but you were the best. The family will watch over Mom and Fritz. Dad you will be in my heart always. Also I always will love you forever. Dad I love you and I will get to see you in heaven one day.

Dear Dad, you are still missed. We always talk about you and chuckle at our stories. This coming Monday will be 11 yrs since you died. I can still imagine your response when I would ask "what are you doing" and you would say, " why, are you writing a book?" Lol. I miss you playing the guitar and singing. Hope you are singing with your favorite country singers in heaven. Love always.
