“ *Our deepest sympathy to all family and friends. My favorite memories of Bobby ara him getting extremely upset with Phyllis and I for playing his 45's, him trying to educate Phyllis & I (along with Uncle Harry) to the wildlife, bugs, snakes, etc in Potter County, and watching him when Aunt Eve (my mom) gave him the keys to her brand new '63 Pontiac Grand Prix and told him be careful, have fun! He was estastic!
We will miss him.*

He's my cousin and I only got to meet him one time at Uncle Harry's birthday. He passed away on my birthday. Sad I never got to really know him. R.I.P.

Linda and family,

We only just learned of Bob's passing and wish to send our deepest sympathies. Tom has fond memories of working with Bob and has crossed his mind often over the past years. May God lighten your hearts during this difficult time. We look forward to seeing him again in heaven.
