“ *To Ron's Family,*

Many, many years ago at McCaskey High School I was on an Art/Decorations Committee with Ron. He astounded me with his artistic ability. He would create the sketches for the dance decorations of the All School Social Committee. The rest of us followed his ideas about color/paints, etc. He did the hard work and was so very gracious in his quiet way. I have never forgotten Ron, as he certainly made me very aware of the innate talent one can possess.

I really did not know that Ron had gone to American University--so proud of him. Also, our paths have never really crossed since those times of many years ago. However, I have never forgotten this extremely talented high school friend.

I send to you my deepest sympathy in your loss of Ron. He had to have been a wonderful family member.

Sincerely,

*Debbie Benson Everett, McCaskey Class of 1957, Oak Bluffs, MA
