“ *I attended Pastor Gibson's Memorial service today. The joy of his memory is indescribable. He lead me to Jesus. He performed my Dad's funeral service. He counseled and married Raeann and I. Back in the 70's we did several retreats as a youth group. I was lucky enough to spend personal time as a passenger in his car to the camp. I was devastated when he left Calvary Bible but knew in my heart it was God's call. The best memories I have are the times we grew up with the Gibson girl's, the Goodharts, the Chapins and the Schatz's. Looking forward to the day I see you again Pastor Gibson.*

“ On August 8, 1981 a young unhappily married couple had an appointment with Dr Gibson , as recommended by a dear friend Judy Martin...  
Dr Gibson went on to explain that the only help he had to offer was a new life in Christ.... Chris had already accepted Christ through Marion Horsts Bible Study but Jacque was not at all interested until Dr Gibson explained in such a beautiful way God’s gift of salvation and as I looked over at my dear husband with tears streaming down his face I knew our marriage was forever changed..... thanking God for that precious reunion when these two men met in Heaven 🙏

“ Mrs. Gibson, Rhonda, Tammi and Josie:  
You are in our hearts as you mourn the loss of your beloved husband and father. His passing has brought back a flood of memories. He was a professor with a pastor’s heart, a true mentor and friend to me, and someone who had a huge impact on so many of our friends. Karen and I are praying that God would truly comfort your hearts.  
God’s very best to you,

“ I remember attending "Doc Gibson's" church in Mt. Joy during my freshman year (1980-81) with Warren Whitney serving as worship leader. I was amazed at how his comments about communion were different each time, emphasizing another aspect of the ritual, in stark contrast to the pastor of my little old church in Carlisle, who said the exact same thing each time. I also remember how at the beginning of class, when it was time to end the idle chit-chat and get down to business, he would say with a twinkle in his eye and a grin on his face (indicating two or three levels of meaning) "We need to pray!" Thanks from Dean S. Husler in Kernersville, NC, for your influence on my life (without which I would never have survived 37 years in the trucking industry)!

“ Dr. Gibson was one of my favorite professors at LBC. He had a huge impact on my early ministry formation. He was my advisor and prayer partner on the days of prayer. One of my favorite memories: I had missed a freshman theology class so I didn't take it til my senior year. We had to write several short papers and he said they could be typed or handwritten. But he knew me fairly well by this time and said to me, a senior, in front of a class of freshmen " bushart, I want yours typed!" Always made me laugh. Blessings to all his family.

*We are praying for your family! Dr. Gibson was such a blessing in the classroom and outside the classroom. I remember sitting in his class and getting goosebumps as he described God and His work. He helped me in deep spiritual formation and I'm sure countless others. We will continue to pray but rejoice at this Saint being called home to His place of rest with Jesus.*

*Donna and family, our hearts are sad as we heard of Ron's homegoing in church this morning. However, we know that we will one day see him again when we are called home to Heaven! What a wonderful day that will be!! I always loved his stories about Mace and Hairball!! He was a great friend to my dad and was here for us when dad passed away. Always caring for and about others, Ron took time from vacation to come officiate at dad's memorial service. Ron was a very special friend. Mom and I are praying for your family and may you feel God's loving, comforting arms around you.*
