“ *To Ron's Family,
I was saddened to learn that Ron has left us. I worked for Ron many years ago at New Holland. He was a good supervisor, a good man and a friend. I am sorry that he is gone.*

Condolences and thoughts of comfort for his family.

“ *To Ron's Family,
Our sympathies to you and your Families, on the loss of Ron. He was a very good Man, good Friend, and I'm sure, a good Father and Grandfather.*

Ron hired me into his Purchasing Group, and as the young "kid" in the group, provided me with a lot of guidance on how things needed to be done. I could never thank him enough for providing me with a career, a life, and later, being a good Friend.

We would visit him at Homestead to have lunch once in while, and sometimes it was just Ron and me sitting, talking, and reminiscing about life or Family or work. I once asked him, why did you give me some of those tough commodities to buy? His reply was, you didn't think I wanted to deal with those problems did you? HAHA! No matter how tough the problem, Ron always had our backs, and was always there when we needed his help. Never a better Boss, than Ron Herzog, and I'm so glad we got to spend some time with him these past years, at Homestead.

Again, sorry for you loss, and I'm going to miss having lunch with Ron, and our talks.

*With Sympathy,
Mike and Cheryl Lichty.*
