“ *To Ronnie's family, we send you our most sincere and heart-felt condolences. We are so very sorry for your loss. Ronnie was such an amazing man who had this beautiful spirit and personality. Even though you weren't close friends, he made you feel as though you were when you ran into each other. This world needs so many more people like Ronnie and it is a sad day when people like Ron leave us but I know his spirit is and will always be with us. He is now able to be everyone's angel. I hope you can find comfort in knowing he has made such a huge impact on everyone's life he touched. He will be missed so much. God bless.*

“ *I am so very sorry to hear about Rons passing, he was such a wonderful person! Always had a smile on his face and a quirky comment to make, I did not know him that well or for that long but he was the type of person that made me feel as though I've known him for years, He will be greatly missed.*

“*The world has lost a remarkable individual that I was honored to call my friend! I was and am still shocked that Ron is no longer with us but I know that he is flying high with the angels. I am lucky to have 12 years of fond memories of times spent with Ron and I will treasure them always. Ron had a way of spreading sunshine even on the darkest of days and I know heaven is a little brighter with Ron up there. Fly high buddy, we will miss you but will love you ALWAYS!!!!*

“*Ron, would help me out from time to time. I would come out to Vision Of Hope church in Mountville PA., from Philadelphia to visit with my friends. From time to time after church during fellowship hour, we'd have conversations and he would give some superb advice about Life, or my creations with my company. He was so kind, so funny, and indeed one-of-a-kind. I will miss this this great soul.*

“ *I am so shocked and sorry to hear of Ron's passing. He was a good friend of my family and celebrated many Christmas and Thanksgiving holidays with us. We considered him 'one of the family.' Ron's personality made him a friend to everyone. He was the life of the Relay for Life functions and his laugh and smile will be missed by everyone who had the pleasure of knowing him. I, personally, feel fortunate to have known him and called him my friend.*

He always made me laugh and we enjoyed so wonderful times together both in California when I lived there and in Virginia where I now live. Ronnie, you are sure to be a shining star in Heaven and I know "what you were looking for" on earth you have surely found in Heaven. May you rest in peace and thank you for all the love and support you have given me over the years. You will always remain in my heart and I love you, dear friend.
