“ I have a lifetime of memories..what comes to mind i don't remember but not too long ago i was told that when mom had me she stayed at her parents house and you met her at the roller rink aand was trying to daye her. I was a baby and she didn't really have the means to take care of me .I didn't have a coat..she said you showed up one day with a pretty little red snowsuit..About a year ago i got to thank you for that coat..Dad thank you so much for being a father to me when you didn't have to. Thank you for putting up with this messed up kid with daddy issues.We had a rough time for a while but i always loved you and i know you loved me.I will miss you.The only thing that helps is to know that you are in heaven and i will see you again.rest in peace Dad

“ When I was like 12 dad had to work half a day on a Saturday driving the dump trump. So I went I'll never forget that song. something like why have a heart when a heart can b broken. Well dad started singing it as loud as hell and moved his hands like he was breaking a heart in half I laughed and so did he. Great day. God I miss you dad. Love you so much.
