We were sorry to hear about Ruth's death. I always liked Ruth and Ray and when our daughter was sick. They brought us lovely meals with absolutely wonderful Apple pie. We always seem to have such good times in his back when they brought us meals. In the summer time John would have us come over and have a delightful time in his back yard and we had a snack or whatever. Lots of time in the summer when we went out to eat we would bump into Ray and Ruth. You certainly have our sincere sympathy.

“ *John,*

I was very sorry to read of your mom's passing. Everytime I think of growing up on Union Street with the wonderful friends and neighbors on our block, my memories include your parents. We were so fortunate to be part of a true neighborhood - where everyone looked out for one another and lent a helping hand whenever needed. My deepest sympathy to you and your family.
